### Board of Studies (BoS) @ Matrix SkillTech University

The **Board of Studies (BoS)** is a key academic body of **Matrix SkillTech University (MSU)**, responsible for the design, review, and continuous updating of curricula and syllabi across various departments and academic programs. The BoS plays a vital role in ensuring academic relevance, quality, and alignment with industry requirements and statutory regulatory standards.

Each department of the University has its own **Board of Studies**, constituted in accordance with the **University Statutes** and applicable **UGC regulations**. The BoS comprises **subject experts, senior faculty members, industry professionals, and external academicians**, ensuring a balanced integration of academic rigor, practical relevance, innovation, and emerging disciplinary trends.

Through periodic curriculum reviews, structured industry inputs, and academic benchmarking, the Board of Studies ensures that all programs remain **skill-oriented, outcome-based, and aligned with the National Education Policy (NEP) 2020** and relevant national qualification frameworks. The recommendations and resolutions of the BoS are placed before the **Academic Council** for consideration and approval.

The Board of Studies thus serves as a cornerstone in maintaining **academic excellence, curriculum innovation, regulatory compliance, and employability-focused education** at **Matrix SkillTech University (MSU)**.
