The Board of Management

The Board of Management is the supreme statutory authority of Matrix SkillTech University (MSU), entrusted with steering the University's long-term strategic vision, governance framework, and policy formulation. The Board plays a pivotal role in ensuring that MSU fulfils its mission of delivering high-quality, inclusive, and industry-aligned skill-based education.

Chaired by the Vice-Chancellor, the Board of Management comprises eminent academicians, senior administrative leaders, government nominees, and distinguished experts from academia and industry. This diverse and experienced composition enables the Board to provide comprehensive guidance on the academic, financial, administrative, and development affairs of the University.

Meetings & Quorum

The Governing Body shall meet **at least once in two months**. The **quorum shall be four** of the total membership.

Objectives of the Board of Management

- To uphold high standards of governance, transparency, and accountability across all levels of the University.
- To guide the University's growth in alignment with both state and national higher education priorities.
- To review, approve, and oversee institutional policies pertaining to academics, finance, administration, and infrastructure development.
- To foster robust partnerships with industry, academia, regulatory agencies, and other stakeholders.
- To champion innovation, research, and skill-driven learning to enhance employability and societal impact.

The Board of Management at Matrix SkillTech University exemplifies the principles of autonomy, responsibility, and excellence. Through its visionary leadership and governance, it continually guides the University towards establishing itself as a premier centre for skill development, innovation, research, and transformative impact in the region and beyond.
