ABOUT SIKKIM

Sikkim is a state in northeastern India, known for its stunning natural beauty and rich cultural heritage. It borders the Tibet Autonomous Region of China in the north and northeast, Bhutan in the east, Nepal in the west and the Indian state of West Bengal in the south. Sikkim is also close to the Siliguri Corridor, which borders Bangladesh. Sikkim is the least populous and second-smallest among the Indian states. Situated in the Eastern Himalaya, Sikkim is notable for its biodiversity, including alpine and subtropical climates, as well as being a host to Kangchenjunga, the highest peak in India and third-highest on Earth. Sikkim's capital and largest city is Gangtok. Almost 35% of the state is covered by Khangchendzonga National Park – a UNESCO World Heritage Site.

Sikkim is also home to numerous monasteries, temples and festivals, showcasing its rich cultural heritage. Sikkim's landscape is characterized by mountainous terrain, with an elevation ranging from 280 meters in the south to 8,586 meters in the northern peaks near Nepal and Tibet. The State has 28 mountain peaks, over 80 glaciers, 227 high-altitude lakes and more than 100 rivers streams. Eight mountain passes connect Sikkim to Tibet, Bhutan and Nepal.

WELCOME TO MATRIX SKILLTECH UNIVERSITY

Matrix SkillTech University, established in 2025, is a future-focused institution located in Geyzing, Sikkim dedicated to bridging the gap between traditional education and industry demands. Recognized by the University Grants Commission (UGC), it aims to redefine higher education through skill-based, technology-driven learning.

Established with the vision to bridge the gap between academic learning and industry requirements, the university is committed to delivering innovative programs that nurture holistic development and prepare students for the evolving world of work.
